Professional Summary

Aspiring software developer and Computer Science student at the University of Dundee with a strong passion for software development, technology, and creative problem-solving. Experienced in Python, C, C++, and Java, with a solid foundation in algorithms, data structures, and object-oriented programming. Skilled in collaboration, version control, and clear communication. Eager to contribute to innovative projects and grow as a developer building meaningful, user-focused solutions.

Education

University of Dundee — *BSc (Hons) Computer Science (Data Science and AI) with Industrial Placement*
Sep 2024 – Jun 2029

- Key Skills: Java, Presentation Skills, Object-Oriented Programming, Algorithms, Data Structures
- Projects: **Student Management System** – Designed and implemented a program to manage student records efficiently, including adding, updating, and searching for information.

Experience

Tesco — *Retail Assistant (Part-time)*
May 2025 – Sep 2025 | Westhill, Scotland

- Developed strong teamwork and problem-solving skills in a customer-focused environment.
- Assisted in day-to-day operations, ensuring efficient service and store management.

Technical Skills

- Programming: Python, C, C++, Java
- Tools & Technologies: GitHub, Version Control

- Concepts: Object-Oriented Programming, Algorithms, Data Structures
- Soft Skills: Time Management, Teamwork, Problem Solving, Communication

---

Projects

Student Management System – University of Dundee (Oct 2024 – Nov 2024)

- Developed a software system for efficient management of student records.
- Implemented functionalities to add, update, and search student information.

Scrabble Game – University of Dundee (Dec 2024)

- Designed and implemented a console-based Scrabble game in Java.
- Applied object-oriented principles to manage tiles, scoring, and player turns.
- Focused on algorithmic efficiency for word validation and score calculation.

Interests

- Software Development & AI
- Technology & Innovation
- Problem Solving & Coding Challenges
- Playing chess and strategy games.
